## OAK HILL ACADEMY

### **I. DELAYED OPENING PROCEDURE:**

Parents will receive an automated call announcing the duration of the delay and the time for starting school.

a. Parents providing private transportation should determine whether conditions are safe to arrive at school at the designated delayed time. This applies to the Shore bus as well.

b. Busing provided by Monmouth-Ocean Educational Services Commission – Freehold Regional School District:  
Colts Neck, Freehold, Freehold Township, Howell, Marlboro,  
Manalapan, Morganville.

Busing will be provided on the delayed opening schedule for the district even if Oak Hill is opening at the regular time or at a different delayed time. Please check your district's website for the time of the delayed opening.

c. All other districts should check their district's website to determine if busing is delayed for their schools. If so, our busing is delayed also, even if Oak Hill has a regular or different start time. (This includes Holmdel, Middletown, Red Bank, Rumson/Fair Haven).

In case of questionable weather or questions about delayed busing - please check your local district.

### **II. EARLY CLOSING PROCEDURE:**

Parents will receive an automated call announcing the time for the ending of school.
