**TUITION ASSISTANCE PROGRAM**

**POLICY**

Oak Hill Academy has established a tuition assistance program to assist families of qualified children meet the cost of an OHA education. The school gives tuition assistance to help maintain a diverse socioeconomic and multicultural student population. It also serves to help prevent the loss of current students because of rising tuition and/or families' financial difficulties. Our goal is to enrich the learning and living environment for all our students. Every student and his/her family bring a special set of gifts to contribute to the mosaic of the school community.

## **PROGRAMS**

Tuition assistance will be available to qualifying families, regardless of the number of children they have enrolled at OHA. Application is made through School & Student Services (SSS) by the National Association of Independent Schools (NAIS). Tuition assistance is limited and awards will be based on the total amount of tuition assistance available from OHA, as well as the number of qualified applicants. In the awarding process, some consideration will be given in filling openings that would otherwise remain vacant. Oak Hill Academy is not able to offer full tuition assistance to any student at this time.
