

Kindergarten Club: Kindergarten Club is held on Mondays is social in nature. After having snack, the children are escorted outside to the playground by Mrs. Colbert and Ms. Perone. There we go over the safety rules of the playground and then children have approximately 25 minutes of play. Afterwards, the children are dismissed back at the Pacelli Center for Early Learning.

Enrichment Club: Enrichment Club is held on alternating Tuesdays until 3:00 PM, and covers a variety of skills in multiple subjects. The children will work on rhyming words, color words, and sequencing to name a few in Language Arts. We touch on History when we discuss Martin Luther King, Jr. and the Presidents. In Social Studies we learn about holidays around the world. In Science the children learn about the weather and animal habits, among other things. These skills are taught using iPad, projects, stories and worksheets.
