

1st Grade Lego Club

First Grade Lego Club will meet every Wednesday with an occasional Friday to make up for missed clubs. 1C and 1CA will alternate every other week, please follow the schedule.

Students will be picked up by Miss DiMaggio in their classrooms at 2:25 and will be brought back to the Lower School hallway for pick up at 3:05. Students not picked up by the end of dismissal will be brought to Extended Care.

In Lego club students may work in groups or alone to build with a large assortment of Lego's. Lego's have many benefits for children's problem solving, focus and attention to detail, while ideas of symmetry, balance, shapes and sizes are explored during play.
