

DO YOU HAVE WHAT IT TAKES TO BE A MATH OLYMPIAD???

If you enjoy challenging math questions, like working with friends after school, and are willing to learn some new math skills, then the answer is

YES!!!

Math Olympiads is a club open to OHA 4th, 5th, and 6th graders. Participants are introduced to techniques that help them solve math word problems. They also have the opportunity to compete in the National Math Olympiad Contest (given once per month.) The club will be held in Room 1 from 2:25-3:15 on the following Fridays:

Sept. 20, Oct. 4 & 25, Nov. 1 & 15 (contest) & 22, Dec. 6 (contest), Jan. 10 & 17 (contest), Feb. 7 & Feb. 14 (contest), Mar. 13 (contest), Mar 27 (end of club party)

Pickup at Upper School circle.

Please note that this is an indoor club and no food will be distributed except for an end of year party. We will try to fairly accommodate any students who participate in sports, drama, or Model UN on Fridays.

OHA Math Olympiads 2019-2020 Permission Slip

Student Name _____ Grade _____ Homeroom _____
